

Weetangera School Preschool Unit DELIVERY AND COLLECTION OF CHILDREN PROCEDURE

PURPOSE

This Procedure will provide clear guidelines to ensure the safe delivery and collection of children attending Weetangera School Preschool Unit.

PROCEDURE STATEMENT

1. VALUES

Weetangera Preschool Unit is committed to:

- ensuring the safe delivery and collection of children being educated and cared for at the service
- meeting its duty of care obligations under the law.

2. SCOPE

This Procedure applies to the Approved Provider, Nominated Supervisor, Certified Supervisor, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Weetangera Primary School Preschool Unit.

3. BACKGROUND AND LEGISLATION

Background

A duty of care exists at all times the child is attending a children's service. In addition, the service has a duty of care to a child while he/she is on the service's premises even if he/she hasn't yet been signed into the service or has been signed out of the service, and is legally under the care and supervision of the parent/guardian (refer to Supervision Procedures). The child may only leave the service in the care of a parent/guardian, authorised nominee or a person authorised by one of these parties to collect the child. The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. The School Principal, in consultation with the parents/carers involved will determine if a person under the age of 18 is able to be an authorised nominee. An authorised person does not include a parent who is prohibited by a court order from having contact with the child. An exception is made in the event of a medical or other emergency and for excursions.

Relevant legislation and standards include but are not limited to:
