Successful Learning Through Caring and Sharing

Dear Parents and Carers,

“Knowledge is power, community is strength and positive attitude is everything.” -Lance Armstrong

Bake Stall

Our sense of community and positive attitudes at Weetangera have been on display recently as our staff and students hosted various events to show their support and proudly showcase Weetangera School. The SRC ran a very successful bake stall to support the community of Tathra following the devastating bushfires earlier in the year. We thank all our families who kindly volunteered their baking and donations to enable the SRC fundraiser to be a success.

Rostrum

Two of our teachers, Ms Nasci and Miss Rees, showcased our school last Wednesday evening by hosting a Rostrum Quarter Final. On the night we had not only our speaker representing Weetangera, but several children providing musical interludes throughout the evening. Thank you to all the teachers and students who supported on the night, it was a wonderful evening.

Year 5/6 Bands

In recent weeks both the Year 5 and the Year 6 bands have visited Kingsford Smith School for the combined band practice. The children represented Weetangera proudly with their engagement in the day and their enthusiasm for the music. It is always so pleasing to receive the positive feedback we get following events such as these.

In coming weeks

Our Weetangera School community will rally again to run the Lap-A-Thon, host our first Year 6 Fundraiser and our winning 5/6 robotics team will represent Weetangera at the PwC Robots in Space! evening. We are very proud of the strength in our community and the positive attitude that makes it all happen.

Kind regards

Bec Smith

ALL WELCOME

Spotlighting Weetangera

Mythical Creatures Unit

Welcome to Spotlighting Weetangera with Year 1! In the Mythical Creatures unit, we have the Hippogriffs with Mrs Godwin, the Dragons with Mrs Millar & Mrs McPhillips and the Trolls with Miss Eade.

One of the writing activities we really enjoy is creative writing. Every Monday morning we get free choice on what to write about. Sometimes we write stories, newspaper articles, recipes or recounts. Below are a few of our recent creative writing pieces.

The Tale of Tarnii and Hercules

Miss Eade took Hercules for a walk. Miss Eade accidentally let go of the lead.

Miss Eade looked everywhere for him but she couldn't find him. She saw a white and brown thing in front of her.

It was Hercules! She was very happy.

The end.
- Eden

A long time ago there lived a mini dragon who liked to play with his mum. But he did not like to run. One day a rat took his food. "Oh no! I will run after the rat". Suddenly the rat flew and he ate it.

The end

My Weekend

On the weekend I went shopping and did lots of craft.

I made lots of collages and I also made some masks.

I also did some painting too. I went to Moncrief Park.

I went with my best friend Elsie. I had fun.
