

## Satisfaction Survey and Australian School Climate Measurement Tool

You should have received a letter outlining login details and a code for the 2018 Weetangera School Satisfaction Survey and Australian School Climate Measurement Tool. Each code can only be used once, and you would have received a separate code for each child you have enrolled at our school. Please take the time to fill out these survey tools for each child, as they do provide important feedback and data to our school. The survey period has commenced and will conclude on Monday 3 September. If you did not receive a code, or are having trouble accessing the online survey, please contact the front office.

Yours faithfully

James M Barnett  
Principal

## Zentangle

**Zen:** relaxed state of mind

**Tangles:** structured patterns

The zentangle art form is a relaxing and fun way to create images by drawing structured patterns.

## **Inquiry—Now and Then**

People and places play an important role in shaping a communities' history.

During our unit of inquiry, Now and Then, Year 2 has inquired into significant places in Canberra. We researched into the history of Old Parliament House, Australian War Memorial and Blundell's Cottage. This is what we discovered...

They needed to build a new parliament house because the old one was getting too crowded.

-Kat

You can go inside the Old Parliament House and learn about history. You can also learn about what they talk about in big meetings.

-Joanna

The Australian War Memorial is for the soldiers that have died in the war.

-Zac

Charles Bean thought of the idea to make a war memorial. He was a reporter in the war.

-Carys and Eryn

The Duke of York officially opening Parliament House in 1927.

-Emma

It was very hard for people when there wasn't any electricity or the things we have now.

-Rosie

Blundell's Cottage is one of the oldest houses still standing in Canberra.

-Jack

They decided to build the memorial here because Canberra is the capital of Australia.

-James.S

Blundell's Cottage taught us about how people lived in the past.
