

coordinators for several preschool initiatives. I would like to take this opportunity to thank our preschool team for giving up their time to organise such a wonderful initiative that welcomes our families into the Weetangera School community and allows our Weetangera families to connect with each other. Thank you also to all those families who attended on the evening. Our next forum will be held in Term 2.

STUDENT INJURY

Insurance and Ambulance Transport

The Education Directorate does not provide any insurance cover for injury, disease or illness to students resulting from school activities or school-organised excursions. Claims for compensation are met where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which an injury, disease or illness was sustained.

As there is no automatic insurance cover for personal injury, if your child is injured at school or during a school organised activity/excursion you should therefore consider whether taking out personal insurance cover for your child is warranted.

This insurance might cover contingencies including medical/hospital expenses, ambulance transport outside the ACT, and cancellation of transport/accommodation or loss of/damage to luggage.

The ACT Ambulance Service provides free ambulance transport for students who are injured or suddenly become ill at school or during an approved school organised activity **within the ACT**.

Warrambui Camp

Last week, Year 3 went to Warrambui for their camp and they had a great time, here are some recounts and photos:

My best memory from camp was doing the treasure hunt, mainly because only one person in my group got hurt otherwise it would have been catastrophic. Another reason why I liked the treasure hunt was because my whole team cooperated and we found nine out of ten letters. We did the treasure hunt using a map and we needed to find the letters. James S

My best memory from Warrambui was playing blind folded as cars because I could trust my driver who was Ada. I could trust her because I know she would never let me crash into a wall or someone else. Katja

I loved the bush art because I enjoyed going out into the wild and foraging for materials to carve wood and stone. My least favourite activity was the treasure hunt. Overall I liked it but the setting was creepy because I saw the head of a bear carved out of wood. My funniest memory was the obstacle course because my group kept on falling over, however, they were fine. Rosie

I loved the food, it was so good. I also thought the treasure hunt was epic because there was this dark and gloomy cave with old dust bricks inside. Will

I loved camp and my favourite activity was the treasure hunt. I enjoyed working with new people (Teddy and Milly) and we got along really well. We used teamwork and were the first group to unscramble the name of the pirate. At first I found it a challenge but now I think I will do it more often. Thursday was a big day and I was eager to get to sleep, it was getting close to 9pm due to the fact we had watched a movie and it took a while to get to sleep, eventually I got to sleep. In the morning we had half an hour to pack and get dressed for the day then we had a cabin inspection. We flew through the activities and it was time to go, I was sad to leave. Aarmi and I said thanks to Warrambui and we headed back to school. It was the best! Emma

I loved the treasure hunt. Although my group did not finish the treasure hunt, we still had fun as we unscrambled the letters correctly to find the clue, which was "Captain Blackbeard"! Jimmy.

I liked the bush art. We collected pine cones and made a garden and other bits and pieces. Having a movie night with our pillows and sleeping bags was a lot of fun. We had a nice bed but I kept waking up and I thought it was the morning so I brushed my hair and teeth. Isabella.

I loved the treasure hunt because I got to know new people. Sam.

I loved playing Frisbee Golf because it involved sport and throwing frisbees. I loved how Evan and Harvey did their best. The obstacle course taught us about how to cooperate as we had three people we had to use to help us. Rhys.

I liked playing Frisbee Golf because I have played before. I loved the fish and chips because it is my second favourite food. I liked the bush art because I like walking in the bush. Xavier.
