

## Preschool staffing procedure

### **Management of the preschool team**

Weetangera Primary School has been granted a service approval to operate an on-site preschool. The governance and management of the preschool unit is undertaken centrally by the Weetangera Primary School Leadership Team.

The preschool team meets as a Professional Learning Community on Wednesday afternoons each week. This meeting allows for the ongoing sharing of ideas and resources. All preschool teachers attend this meeting, with preschool assistants attending once or twice a term, or when topics are being discussed that require their input.

### **Staff signing in and out of the premises**

All staff must sign in at the primary school office at the start of each day or upon arrival. Staff must also sign out if they leave the primary school at any time during the day. Educators working directly with children sign in and out as required.

### **Code of Conduct**

All staff are governed by the ACT Public Service Code of Conduct and choose to abide by the Code of Ethics from Early Childhood Australia. Preschool teachers must also abide by the Teachers Code of Professional Practice. These documents are regularly referred to and can be a useful source of information when dealing with complex situations.

### **Requirements for relief and regular release staff**

Relief staff (both teacher and preschool assistant) and regular release staff must either meet the same regulations as permanent preschool staff or have a waiver from ACECQA.

Relief and release teachers must:

- have their early childhood qualifications verified as approved by ACECQA prior to commencing work
- abide by the Code of Conduct documents identified above
- abide by Mandatory Reporting requirements.

Relief and release preschool assistants must:

- abide by the relevant Code of Conduct documents identified above
- abide by Mandatory Reporting requirements

### **Educational Leader**

The Educational Leader is the person who has been appointed to lead the development and implementation of the educational program. The Educational Leader at Weetangera Preschool Unit is the Junior Executive Teacher of Weetangera Primary School.

### **Nominated supervisor**

Under the National Law, the Nominated Supervisor at a preschool is responsible for the following aspects of the preschool program.

### **Educational programs**

Ensuring educational programs are:

- based on and delivered in accordance with an approved learning framework
- based on the developmental needs, interests and experiences of each child
- designed to take into account the individual differences of each child

### **Supervision and safety of children**

- ensuring children are adequately supervised, are not subject to inappropriate discipline, and are protected from harms and hazards

### **Administration of medication**

- ensuring that medication is not administered to a child being cared for by the service unless the administration is authorised (except in the case of anaphylaxis or asthma emergency) and is administered in accordance with the National Regulations
- where medication is administered to a child without authorisation in a case of an anaphylaxis or asthma emergency, ensuring that a parent of the child and emergency services are notified as soon as practicable

### **Excursions**

- ensuring that a risk assessment is conducted before an excursion in accordance with the National Regulations, and specifically that the risk assessment is conducted before authorisation is sought to take a child on the excursion

### **Staffing**

- ensuring the prescribed educator to child ratios are met and each educator at the service meets the qualification requirements relevant to the educator's role
- At Weetangera Preschool the Principal of Weetangera Primary School is the Nominated Supervisor.

***The role of Nominated Supervisor cannot be delegated.***

### **Certified Supervisor**

The Certified Supervisor is placed in day-to-day charge of a preschool unit when the Nominated Supervisor is unable to fulfil this role for any reason. The Certified Supervisor must accept this nomination in writing.

Certified Supervisors are not the equivalent of a Nominated Supervisor and do not have the same responsibilities under the National Law as Nominated Supervisors. At Weetangera Preschool the principal is the Certified Supervisor. When the Certified Supervisor is unavailable the delegation moves to the deputy principal and then the school executive teacher as needed.

### **Determining the Responsible Person**

The Nominated Supervisor is the Responsible Person. In the event of the Nominated Supervisor being unavailable, the Certified Supervisor assumes the role of Responsible Person.

At all times, the name of the Nominated Supervisor or Certified Supervisor must be displayed on the joint information board in the preschool unit.

### **Requirements for First Aid**

It is a legal requirement for staff who are appropriately trained in First Aid, Asthma and Anaphylaxis to be on-site at all times. In the case of the Weetangera Preschool Unit, their co-location with Weetangera Primary School enables First Aid staff to be quickly deployed to the preschool site as required. Consequently, this regulation can be met through the management of appropriately trained staff at either Weetangera Primary or the Weetangera Preschool Unit.

### **Participation of volunteers**

Volunteers are a valuable part of the preschool program and contribute a wealth of experience, knowledge, skills and support. All preschools actively encourage the participation of volunteers in any manner they are able to contribute.

At the beginning of the preschool year, parents/carers are provided with a copy of the Volunteers Code of Conduct and Nomination Form. These forms must be completed by anyone wishing to volunteer on site. Volunteers are required to sign in and out in the Volunteers Sign in Book located at the school site, every time they volunteer.

Volunteers need to complete a Working with Vulnerable People (WWVP) Check. The Working with Vulnerable People Act states that a person is 'engaged in a regulated activity' if they have contact with a vulnerable person and an exemption does not apply. Child education services are considered to be a regulated service. There will be no change for completing this process for volunteers. You must have a completed WWVP check if you are volunteering in the preschool more than three days in any four-week period and seven days in any 12-month period. As long as a volunteer (or visitor) has applied for a registration card with the Office of Regulatory Services including providing a named employer (this can be a school), and a decision has not yet been made about their application, the employer (i.e. the school) can allow the volunteer (or visitor) to engage with children provided they are supervised at all times by a person who is registered under the Act. This permission ceases to apply if the application is withdrawn or the person is given a negative notice.

In the event that an issue arises about the conduct of a volunteer while at preschool, staff should conduct the preschool team leader and principal in the first instance. However, preschool staff are required by law to ensure that volunteers are not affected by alcohol or drugs while on preschool premises. Should this occur, staff must immediately contact the preschool team leader and principal.

### **Participation of preservice teachers**

There is an ongoing professional responsibility for teaching staff to mentor preservice teachers. The placement of preservice teachers is managed by the Professional Experience Coordinator from Weetangera Primary. It is the responsibility of the Professional Experience Coordinator to ensure preservice teachers are aware of their responsibilities under the National Law and the Codes of Conduct outlined above. Preservice teachers must sign in and out of the preschool premises as directed by preschool staff.
