Weetangera Canteen

We Make Food For Thought!

Term 1 - 2016

Welcome To Your Canteen!

The Weetangera canteen is all set for another fantastic year. We look forward to providing the children with fresh and nutritious food. We have lots of great things planned for 2016 – be sure to follow us on Facebook (Weetangera Primary Canteen).

Come and Join Us!

The canteen relies on the generosity of our community. There are a number of ways you can help us. If you have some spare time, we'd love to welcome you. Bottomless tea/coffee, laughs and fun are always guaranteed. Many of our past and present Weetangera students started their association with the school as babies playing with toys in the canteen while their parent or carer volunteered! It's a great opportunity to get to know your school, meet other parents and become part of your local community.

Short on Time?

There are many ways in which you can support the school canteen. Donations of food items to stock our pantry are always appreciated. Please pop into the canteen or contact us and we can provide you with a guideline of food items. We're always grateful for help with special events such as the fete, discos and athletics carnival too!

Fortnightly Lunch Specials

We're proposing to trial special lunch orders on a fortnightly basis commencing next term. Through the SRC, the children will be consulted on the new lunch options they would like to see offered. We look forward to working with the children on some exciting new options!

Menu Change

Paddle pops will be removed from the menu as they have had a drop in popularity and the minimum order is too large for the small volume sold. No need to panic though, as there are some great alternative options such as vanilla ice cream tubs, frozen yogurts, frozen fruit and quelch sticks.

A Small Request

There has been an increase in the number of children bringing in large amounts of money to the canteen and buying food for their friends. Although sharing and caring is a lovely concept, this is something that the canteen would like to discourage for a number of reasons, one being the parents of the children involved may not be aware of it or support it. Your assistance in ensuring this practice is avoided would be appreciated.

DISCO!

Be sure to mark 5th May in your diary and get ready for the ever popular School Disco!

The theme is "UNIFORM", so what will you be?
Fireman...Policeman...Nurse
...Soccer Player...

6:00pm start for juniors
7:45pm start for seniors

\$6.00 provides you entry, professional DJ, great prizes, endless cordial and a glow product.

Snacks will be available from the canteen on the night.

Further details to follow....

How do I make an order through the canteen?

- via Flexischools
- via paperbag and money placed into unit lunch tubs

Some Fun Canteen Facts.....

- On average the canteen completes 140-150 orders on a Friday.....
- Our bolognaise meat mixture is made fresh in the canteen every week (yes, you can usually smell it wafting through the corridor on Wednesdays!) – we use 3kg of mince with grated carrot, and zucchini hidden in the mix (ssshhhh, that bit is a secret...)
- Pikelets are very popular – we make 12 batches of them every week. That is 24 eggs, 24 cups of flour, 18 cups of milk, 48 teaspoons of sugar, 12 teaspoons of vanilla and a whole lot of love!
