ANAPHYLAXIS AWARE SCHOOL

Dear Parents & Carers,

Building works at Weetangera

The Education Directorate is commencing some building works in Unit 1 to establish two new Learning Support Unit classrooms for the school and community. They will be commencing the building works in Week 9 of Term 4. Due to the commencement of these onsite building works and the care and safety of the Year 1 students learning environments, we have been required to relocate the Year 1 classrooms from Monday 7 December.

These classroom relocations were unforeseen and are unavoidable.

Weetangera Reading challenge

Our total goal for the Weetangera Reading Challenge is steadily growing and our teachers have reported very excited students keen to add their tallies for the week. The reading challenge provides a wonderful opportunity for children to become excited about reading and engage in a learning activity that assists with language acquisition, communication skills, social skills, and literacy skills. Keep reading Weetangera and let's smash last year's record!

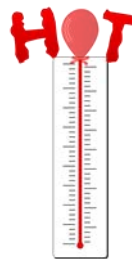

New student transition visits

Our new students for 2021 had their last transition for the year which was a full day spent with their cohort for 2021. It provided a great opportunity for new students to experience our school for a whole day, learning and having fun. Many students I got the opportunity to chat with reported they are very excited about starting the new year at Weetangera School.

Sun safety

The hot weather has finally come and we are experiencing a steady increase in temperatures. This is a timely reminder for all students to remember their hat each day, sunscreen application and to stay hydrated.

Regards

Nicole Terry

TWO SHEDS WORKSHOP

Get creative and learn to build yourself with Two Sheds Workshop these holidays!

Lots of awesome workshops for kids aged 7yrs+, an excellent gift for Christmas, and one Creative Kids Voucher covers two workshops.

Dear Families,

What a wonderful year of music making we have had. The students in the morning music groups have had the opportunity to showcase their wonderful skills to the rest of the school last week and they did such a good job that I think we all deserve a break!

For the rest of the year (Week 9 & 10), there will be no morning music groups. I have loved making magical music with everyone and look forward to continuing the morning music groups in 2021.

Thank you,

Miss Masling
